Rev. 8/2/2018

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM ($240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of $35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the $5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses ($35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of $80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR ($115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USEF/USDF Dressage Seat Medal Program
Guidelines for Competitors

The USEF/USDF Dressage Seat Medal Program (DSM), for riders ages 18 and under, celebrates excellence in equitation and strives to develop a solid foundation for future success in the dressage arena.

Riders wishing to qualify for the USEF Dressage Seat Medal Finals must compete in the USDF Dressage Seat Medal Semi-Finals held at the Great American Insurance Group/USDF Regional Championships. The top two riders in each DSM Semi-Finals class will qualify to advance to the annual USEF DSM Finals. In case one of the top two riders in either DSM Semi-Finals class does not compete in the Finals, the third placed rider in the respective class will be allowed to compete (DR 133.2 (c)).

To qualify for the USDF Dressage Seat Medal Semi-Finals, a competitor must earn a qualifying score of 70% or above in any eligible Dressage Seat Equitation class (except walk/trot) held at a USEF-licensed/USDF-recognized dressage competition during the qualifying period or must qualify for the Great American Insurance Group/USDF Regional Championships.

RIDER, OWNER AND HORSE MEMBERSHIP REQUIREMENTS

- **FOR COMPETING IN A DRESSAGE SEAT EQUITATION CLASS**
  - Rider - must have a USDF Group or Participating Membership (GM or PM) at the time of the qualifying ride.
  - Owner - must meet minimum competition eligibility requirements.
  - Horse - must have either a USDF Horse Identification Number (HID) or a USDF Lifetime Horse Registration (LHR) at the time of the qualifying ride.
- **FOR COMPETING IN A USDF DRESSAGE SEAT MEDAL SEMI-FINALS**
  - Rider – must have a USDF Participating Membership (PM) to compete in the semi-finals.
  - Owner – must meet minimum competition requirements.
  - Horse – must meet minimum competition requirements.
- Refer to the USEF Rule Book for all rules regarding USEF-licensed competitions.
- Refer to USEF DR133 for complete specifications of the USEF/USDF DSM program.

QUALIFYING FOR THE USDF DRESSAGE SEAT MEDAL SEMI-FINALS

A competitor can qualify for the USDF DSM Semi-Finals by one of two methods.

1. Earning a qualifying score (70% or higher) in any eligible dressage seat equitation class (except walk/trot) held at a USEF-licensed/USDF-recognized dressage competition during the qualifying period of August 1 through July 31. The list of eligible riders who have qualified by score can be found on the USDF website.
   a. Classes restricted by criteria other than normal dressage rider categories of open, junior, or junior/young rider are not eligible.
   b. Classes offered as Test of Choice (TOC) will not count.

2. Qualifying for the Great American Insurance Group /USDF Regional Dressage Championships. Competitors who earn the necessary qualifying scores to participate in the regional championships at any level (excluding freestyles), and are otherwise eligible, are automatically qualified to participate in the USDF DSM Semi-Finals. A list of riders qualified for the regional championships is maintained and updated continuously on the USDF website.

PLEASE NOTE: Borrowed horses are permitted in all Dressage Seat Equitation, USDF DSM Semi-Finals and USEF DSM Finals classes. A rider would be permitted to ride a different horse in each of the three phases of the DSM program.

COMPETING AT THE USDF DRESSAGE SEAT MEDAL SEMI-FINALS

- Riders can elect to compete in any one of the nine USDF DSM Semi-Finals.
    - Riders may only compete in one semi-final competition per calendar year.
    - No declaration of region is required, but riders must submit an entry for the USDF DSM Semi-Finals class at the regional championship of their choosing in order to compete.
- Riders are not required to ride in a USDF DSM Semi-Finals class in the same region as they participate in regional championship classes.
- Riders who qualify for the USDF DSM Semi-Finals through the "qualifying for Regional Championships" method, may compete in the DSM Semi-Finals even if they do not compete in the Regional Championships.
- Riders can choose to compete the same horse in a regional championship in one region, and in a USDF DSM Semi-Finals class in another region.
- Borrowed horses are permitted in USDF DSM Semi-Finals classes.
    - For DSM Semi-Final Classes and DSM Finals Classes, which are held during the Great American Insurance Group/USDF Regional Dressage Championships and USEF Dressage National Championships respectively, competitors **must** comply with all Championship rules pertaining to horses entered in Championship classes, including but not limited to the rule that only the rider entered in the Championship class may ride that horse. Borrowed horses that are only entered in open (i.e. non-Championship) classes at these shows are not subject to the one-rider restriction.
    - Refer to the USDF website for complete rules pertaining to the regional championships and the USEF website for complete rules pertaining to the USEF Dressage National Championships.
- There are two age divisions in the USDF DSM Semi-Finals
    - 13 and under: A rider is eligible for the 13 and under Semi-Final class until the end of the calendar year in which he/she reaches the age of 13 (DR 133.2 (f)).
    - 14 through 18: A rider is eligible for the 14 through 18 Semi-Final class from the beginning of the calendar year in which he/she reaches 14 until the end of the calendar year in which he/she reaches the age of 18 (DR 133.2 (f)).

  NOTE: Riders will compete in the USDF DSM Semi-Finals and the USEF DSM Final in the respective age group in which they qualified (refer to DR 133.2 (d)). For example, if a rider is age 13 at the time of their qualifying ride, but is age 14 at the time of the USDF DSM Semi-Finals, they will compete in the 13 and under division. If that rider is one of the top two riders who move on to the USEF DSM Final, they would also ride in the 13 and under division in that competition.

COMPETING AT THE USEF DRESSAGE SEAT MEDAL FINALS

Refer to USEF Rule DR 133 and the USEF website for complete rules regarding the USEF DSM Finals classes.
